

Dr. Oge Marques visited ITEC again...

Oge Marques, Associate Professor from Dept. of Computer Science and Engineering at Florida Atlantic University, visited Klagenfurt University again.

His colloquium „Promising avenues for interdisciplinary research in vision“ took place on Thursday, 25 June, 2009.

Slides from the talk are available at:

http://polaris.cse.fau.edu/~oge/klu/Talk_OgeMarques_2009.pdf.
